
Welcome to the National Foundation of Dentistry for the Handicapped

The National Foundation of Dentistry for the Handicapped (NFDH); a charitable affiliate of the American Dental Association; is committed, through collaboration, to arranging comprehensive dental treatment and long-term preventive services to needy disabled, elderly or medically compromised individuals through a national network of direct service programs that involve more than 12,900 volunteer dentists and 2,700 volunteer laboratories.

NFDH offers three direct-service programs:

Donated Dental Services (DDS)

Bridge/Campaign of Concern

HouseCalls

NFDH's work is clear – real help for real people with real problems. For every \$1 spent, NFDH provides \$15 worth of care. Charitable treatment and other program services account for 93% of activities with 5% needed for administration, and 2% needed for fundraising. Annual Reports

DentaCheques, a revenue generating coupon book for dentists is the dental intersection of value and values.
