Mr. D. & Dr. H.

Letter to  
DDS &ndash;

I would like to say that Donated Dental Services was the answer to a prayer. As a parent I spent many hours trying to figure out how to get my son teeth, and how I was going to get the money to pay for this process. Dr. H and staff were so kind and professional acting to me and my son! Their work and the work of Mr. C at dental lab was absolutely phenomenal!

My son's whole demeanor has changed since he can smile and teeth can be seen instead of gums! I will be forever grateful of the people who helped him and pray that God will continue to bless them and shower them with his grace!

Thank you  
so much!

Letter to  
Lab &ndash;

&ldquo;Mr. C,

I wanted to thank you for the wonderful work that you did in assisting Dr. H in creating dentures for my son. I spent many hours praying for guidance so that I could find a way to get him teeth. My prayers were answered when I received a call from Donated Dental Services and told that his case had been accepted.

Your work making him dentures was absolutely phenomenal! He and I cannot find words enough to thank you for what you did for him. His whole demeanor has changed and it is so good to see him open up his mouth when he is talking and to see him finally smile!

I want you to know that he and I will always be grateful and we pray that God will continue to bless you and shower you with his grace!

I am enclosing a picture for you of him so you can see what your work has accomplished!

Sincerely,

Robert D.
