Ms. R, Colorado

I just can't thank you enough. You have changed my life!

For a long, long time I never smiled in public. I always held my hand across my mouth because I did not want anyone to see what a terrible condition my teeth were in; not to mention, the constant pain I was experiencing. I would decline invitations to go out to eat because I couldn't properly chew my food. It was such an embarrassment, and a health issue, too.

But now, what a difference! I'm smiling ALL THE TIME! And, I'll go out anywhere, anytime. The teeth you created for me are just beautiful and they work great, too.

I'm just so glad this organization exists, and sincerely hope that it can continue to effectively help people in need.

I thank you so very much.

With Kind Regards,

Ms. R
